53% Tayrona Chocolate

The emergence from the chocolate flavor of nuts and red berry notes, fresh blueberries and vanilla, together with a soft note of chocolate are the characteristics that identify the 53% Tayrona. Named after the famous Tayrona National Park in northern Colombia near the Caribbean Ocean. BIN112 infuses the Tayrona Chocolate with fresh ground cayenne, chipotle chili and smoked paprika, then forms it into our signature

BIN112 FIRE BAR.
